New Sign for Scott Wilson - Wells Fargo Financial Advisor

3390 Route 30 (across from the Dorset Inn)

S. Wilson of Wells Fargo has moved into the ground floor space located at 3390 Route 30 (previously occupied by Tilli Unique Hats).

He presented a double sided carved sign that will be hung on the corner of the building in the same location as previous tenants' signs.

The sign will be 30" high x 36" wide and will match the Wells Fargo logo and colors. The colors on the drawings submitted by S. Wilson did not match the Wells Fargo logo colors. S. Wilson agreed to provide more accurate color chips.

The bracket will be a black wrought iron "L" shaped angle that will be mounted approximately 2 inches below the existing awning.

The sign will not have any lighting.

B. Escher confirmed the sign conforms with criteria # 3.0.

T. Hathaway made a motion to approve.

K. Wallace seconded.

The motion was approved 4-0.

Five people were nominated by the present members of the DRB to replace S. Childs and R. Cantus. B. Escher stated he would contact the nominees and will report back at the next meeting.
