2014 SUMMER CAMP

(June 16th - August 8th)

SEPARATE PROGRAMS for 1-2 year olds, 3-5 year olds, and 5-7 year olds

(Scholarships are available for all Dorset children, making it possible for most to attend our summer camp free-of-charge for one week - or an equivalent amount of time spread out over the 8 weeks. A VERY simple one-page application must be submitted to the town by June 15th.)

This year's camp will include anything and everything that is fun!

Our **5-7 year olds** will: *visit the Saratoga Children's Museum and enjoy a round of miniature golf on the way back to school; *have a boat ride and fish on Timmouth Pond; *head to the lake every week; *enjoy a day trip to the Billings Farm and Museum in Woodstock.

Our **5-7 year olds & 3-5 year olds** will: *enjoy gymnastics classes at Head Over Heels; *visit the Pember Museum in Granville and stop at Scarlotta's for ice cream; *visit the farm at Merck Forest, hike in the woods and have a picnic lunch; *pick - and undoubtedly eat - berries.

Our **5-7 year olds & 3-5 year olds & 1-2 year olds** will: *participate in Hullabaloo classes with Ms Alexandra; *visit with a llama, a pony, the rescue squad, and various tractors and trucks; *be amazed by a magician; *play in our bounce castle; *venture down our large water slide; *do art projects, sing songs, play games, and "battle" with water balls and water pumps!

Extremely Flexible Scheduling

One-on-one swim lessons will also be available.
