

TOWN OF DORSET  
BOUNDARY LINE ADJUSTMENT PERMIT APPLICATION

As per the Town of Dorset Subdivision Development Regulations Section 1.06, "Where the moving of a lot line for a boundary line adjustment only does not result in a subdivision, a Boundary Line Adjustment may be issued by the Administrative Officer" (page 6). The Town of Dorset Subdivision Development Regulations contains definitions for "Boundary Line Adjustment," "Development," "Lot," and "Subdivision," and applicants are advised to carefully review these definitions in addition to the applicable sections of the Town of Dorset Subdivision Development Regulations before completing this application.

The applicant must supply the Administrative Officer with evidence that the boundary line adjustment will a) not create an additional lot, and b) that the resulting configuration is in conformance with the Dorset Zoning Bylaw, the Dorset Town Plan, and applicable requirements of the Town of Dorset Subdivision Development Regulations. At the discretion of the Administrative Officer, the Town of Dorset Planning Commission review may be requested.
