Dorset Recreation Scholarship Program

The Town of Dorset does not want any child to be excluded from Recreation programs because of financial need. Parents who feel they are unable to afford the fees for a program, due to unemployment, illness, or hardships, should complete a scholarship application and submit it to the Town of Dorset. Only households earning less than \$60,000 per year are eligible for the scholarship.

The Dorset Recreation scholarships are for children 14 years and younger. The scholarships will cover up to 100% of the cost of one program per child per year. The maximum contribution is \$300 per child. The funding will cover summer camp programs run by the Long Trail School and Manchester Parks & Rec, the Lawrence School for Young Children. The children must reside in the Town of Dorset. The scholarship application must be submitted by **June 15**th and be redeemed during the summer camp season (typically end of June to second week in August).

To apply for a scholarship, the parent or guardian of the child must fill out a Scholarship Application Form and provide proof of residency. Forms must be dropped off or mailed to the:

Dorset Town Offices 112 Mad Tom Road PO Box 715 East Dorset, VT 05253

Scholarship application forms are available at: the Dorset Town Offices, The Dorset School, Long Trail School, the Lawrence School and the Town website www.dorsetvt.org.

Once scholarship(s) have been awarded, the parent/guardian will meet with a Town representative to register and pay for the program awarded.
