## Title 24: Municipal and County Government

### *Chapter 55: POLICE*

#### **24 V.S.A. § 1938. Intermunicipal police services; purpose; agreements**

##### **§ 1938. Intermunicipal police services; purpose; agreements**

(a) Cities, towns, incorporated villages, the University of Vermont, sheriffs, and state agencies may enter into agreements to provide for intermunicipal police services. Intermunicipal police services include general police services, emergency planning and assistance, task forces, and other specialized investigative units to provide police services within the boundaries of the participating municipalities and counties.

(b) The legislative body of each municipality may authorize the chief of police or other designee to provide police resources for intermunicipal police services. The participating municipalities, sheriffs and state agencies shall enter into a written agreement which shall provide for the scope of the mutual services, the powers, duties and responsibilities of each participant and the governing authority for officers called for duty under the terms of the agreement. The agreement shall also contain provisions relating to the use of equipment, supplies and materials during the period of mutual service. Any employee covered by such an agreement shall remain an employee of the donor agency.

(c) Agreements entered into under this section shall not be subject to the requirement of chapter 121 of this title.

(d) Cities, towns, incorporated villages, the University of Vermont, sheriffs, and state agencies may enter into agreements under this section with municipalities in the same or adjoining counties and with municipalities in adjoining states. CONTRACT FOR LAW ENFORCEMENT SERVICES

THIS AGREEMENT is made and entered into by and between the CITY OF BELLEAIR BEACH, FLORIDA, a municipal corporation of the State of Florida, hereinafter referred to as "CITY"; and BOB GUALTIERI, as Sheriff, Pinellas County, Florida, hereinafter referred to as "SHERIFF".

WITNESSETH:

WHEREAS, Florida law permits the CITY to contract for law enforcement services within its boundaries; and

WHEREAS, on March 13, 2007, the electors of the City approved a referendum to amend the City Charter by removing the City's police department as a charter department and directing the City Council to contract for law enforcement services with another law enforcement agency; and

WHEREAS, the parties hereto recognize and agree that the City retains the ultimate responsibility for providing law enforcement services within the City, notwithstanding the referendum and contracting of law enforcement services to an outside law enforcement agency; and

WHEREAS, the SHERIFF is an independent constitutional officer of the State of Florida; and

WHEREAS, the CITY is a municipality within the boundaries of Pinellas County, Florida, and wishes to purchase municipal law enforcement services for that area of land within its municipal boundaries from the SHERIFF of Pinellas County, and the parties recognize and agree that these purchased services are in addition to those

services otherwise required to be provided by the SHERIFF to the CITY prior to the execution of this Agreement; and

WHEREAS the parties agree that the purpose of this Agreement shall be to provide the CITY'S residents and property owners with the highest quality law enforcement service available, which is being accomplished in harmony with the City's fiscal policies of sound, economical management of public safety services; and

WHEREAS, the CITY desires that the SHERIFF furnish law enforcement protection on a full-time basis and duly perform any and all necessary and appropriate functions, actions, and responsibilities of a law enforcement force for the CITY; and

WHEREAS, the SHERIFF has indicated his desire and willingness to accept and fulfill the responsibilities set forth herein; and

WHEREAS, the parties recognize and agree that nothing contained in this Agreement affects the CITY'S right to determine whether law enforcement services shall be provided by a City police department, by contract with another law enforcement agency or otherwise; and

WHEREAS, this Agreement for provision of law enforcement services is not intended by the parties nor shall it be interpreted to be a transfer, consolidation or merger within the meaning of those terms for constitutional or statutory purposes, pension purposes or for any other purpose whatsoever and it is the intent of the parties that this Agreement shall at all times be administered in harmony with the intent of the parties that no transfer, consolidation or merger shall be accomplished by the terms of this Agreement in any respect whatsoever;

NOW, THEREFORE, in consideration of the mutual promises contained herein and given by each party to the other, the parties hereto do covenant and agree as follows:

1. RECITATIONS. That the recitations set forth above are incorporated herein by reference in their entirety.

2. LEGAL AUTHORITY. This Agreement is entered into pursuant to the provisions of §163.01, Fla. Stat., the "Florida Interlocal Cooperation Act of 1969". The parties entering into this Agreement are fully cognizant of the constitutional limitations on the transfer of powers as set forth in Article VIII, Section 4 of the Constitution of the State of Florida and it is the express purpose of this Agreement only to enter into a contract for the provision of law enforcement services for certain designated law enforcement functions and shall not be deemed in any manner whatsoever to authorize the delegation of the constitutional or statutory duties of any of the parties pursuant to the provisions of §163.01(14), Fla. Stat. This Agreement at all times shall be construed consistent with such constitutional and statutory limitations, and the duties and responsibilities set forth in this Agreement shall be performed by the parties in a manner that is constitutionally permissible.

3. PURPOSE: It is expressly acknowledged and agreed that all services provided by the SHERIFF under the terms of this Agreement are paid for as a result of the consideration paid by the CITY under the terms of this Agreement, which is completely separate and in addition to any and all ad valorem taxes or any other revenues paid by or received on behalf of the citizens of the CITY to the County. In light thereof, the SHERIFF shall continue to have the obligation to provide other legally

required services to the same degree that such services are provided to the rest of Pinellas County, and the CITY is not to be charged extra for these services.

4. SERVICES. A deputy shall be provided to the CITY and TOWN on the basis of one (1) deputy for each of three (3) consecutive eight (8) hour shifts per calendar day. The SHERIFF will insure that a deputy is continuously present within the city limits of the CITY and/or the town limits of the TOWN at all such times except under emergency circumstances when backup assistance may be required from other deputy sheriffs or municipal law enforcement officers.

5. POWER OF CITY TO DIRECT SERVICES. The SHERIFF, or his designee, shall confer with the City Manager regarding law enforcement problems within the CITY and shall accept from the City Manager general policy direction on how law enforcement services are delivered and to what portion of the municipality a particular type or level of service should be delivered to counteract law enforcement problems within the CITY. The SHERIFF shall make a good faith effort to comply with the request of the CITY regarding such matters unless such decisions will represent a danger to the deputies providing such service or to other members of the Sheriff's Office, violate the law, good law enforcement practices, the rules and regulations of the Pinellas County Sheriff's Office, or are detrimental to the citizens of the CITY or the County. In the event that such concern arises, the SHERIFF will meet and confer with the City Manager on policy matters regarding the delivery of such services and attempt to resolve any dispute or misunderstanding between them.

6. NO PLEDGE OF AD VALOREM TAXES. The parties agree that this Agreement does not constitute a general indebtedness of the CITY within the meaning of any constitutional, statutory, or charter provision or limitation and it is expressly agreed by the parties that the SHERIFF shall not have the right to require or compel the exercise of ad valorem taxing power of the CITY or taxation of any real or personal property therein for the payment of any monetary obligations due under the terms of this

Agreement, and it is further agreed between the parties that this Agreement and any funds called for to be paid hereunder shall not constitute a lien upon any real or personal property of the CITY, or any part thereof, and that the obligation for monetary payments called for to be made hereunder shall be deemed to exist for less than a year at any point in time and shall be entirely subject to the legislative budgetary discretion of the CITY.

7. INDEMNIFICATION OF CITY. To the extent permitted by law, the SHERIFF agrees to defend, indemnify (including the payment of litigation judgments) and hold the CITY, its officials, and employees harmless for any and all claims, actions, and causes of action asserted against the CITY, its officials, and employees for the acts or omissions of the SHERIFF, his deputies, or other employees of the SHERIFF regardless of the arguable merit of the claim, action or cause of action arising out of the SHERIFF'S obligations and/or performance under this Agreement. The SHERIFF'S obligations under this provision include third-party claims against the CITY for subrogation and reimbursement, only as such claims arise solely from acts or omissions of the SHERIFF, his deputies, or other employees of the SHERIFF arising out of the SHERIFF'S obligations and/or performance under this Agreement. Lawsuits and claims that may be filed against the CITY arising from the SHERIFF'S performance under this Agreement shall be defended by the SHERIFF in accordance with the SHERIFF's existing policies and procedures for defending and litigating such matters.

A. Further, to the extent permitted by Florida law, the SHERIFF agrees to hold the CITY harmless from any employment action against the CITY by any former Belleair Beach police officer who is hired by the SHERIFF, which occurs

as a result of any employment action taken solely by the SHERIFF against any former Belleair Beach police officer while employed by the SHERIFF.

B. Nothing contained in this Agreement herein shall be construed to limit or modify the provisions of §768.28, Fla. Stat., or constitutional sovereign immunity, as it applies to the CITY and the SHERIFF. Nothing herein shall waive, abrogate or expand the sovereign immunity enjoyed by the SHERIFF and the CITY pursuant to the provisions of Chapter 768, Fla. Stat.

8. **INDEPENDENT CONTRACTOR.** The SHERIFF, for the purposes of this Agreement, is and shall remain an independent contractor; provided, however, such independent contractor status shall not diminish the power and authority vested in the SHERIFF and his sworn law enforcement deputies.

9. **PROVISION OF SERVICES.** The SHERIFF shall provide each deputy assigned to the CITY under this Agreement with all necessary equipment to carry out the requirements of this Agreement.

10. **PERSONNEL.** The SHERIFF shall be solely responsible for the appointment, training, assignment, discipline and dismissal of all his law enforcement personnel performing services under this Agreement. The SHERIFF shall also be legally responsible for the actions of his law enforcement personnel performing services under this Agreement in accordance with law. The parties shall mutually cooperate to carry out the terms and conditions of this Agreement. Should the CITY or its designee believe that any deputy assigned to the CITY pursuant to the terms of this Agreement is failing to perform in a satisfactory manner, the CITY or its designee shall notify the Commander of the Patrol Operations Bureau of the Pinellas County Sheriff's Office.

The parties shall work together to reach a mutually satisfactory resolution of the matter. However, it is understood that under this Agreement the SHERIFF shall retain the sole authority to transfer, counsel, or discipline any deputy or other member of the Pinellas County Sheriff's Office.

11. ENFORCEMENT OF LAWS. The SHERIFF shall discharge his responsibility under this Agreement by the enforcement of all state laws, county ordinances applicable within the CITY and the ordinances of the CITY. The SHERIFF, within his discretion, shall bring appropriate charges for violations of all laws and ordinances. The SHERIFF shall ensure that deputies assigned to the CITY will have a general familiarity with the code of ordinances of the CITY. The CITY will provide adequate copies of its ordinances for this purpose at no cost to the SHERIFF.

12. FINES. All fines or other monetary fees or penalties rendered in any court as a result of charges made by the SHERIFF for offenses occurring with the CITY shall be distributed to the CITY within a reasonable time after receipt by the SHERIFF, as applicable.

13. RECORDS. The SHERIFF shall maintain Uniform Crime Reporting records regarding crimes committed within the CITY. These records shall include the number and type of crimes committed, the number of arrests made for each type of crime, and any other information as required by law. A computer printout reflecting a summary of overall activity by event type shall be furnished to the CITY each month. Additionally, the SHERIFF shall maintain a dispatch log with respect to calls for assistance. The dispatch log shall reflect the time a call is received, the time a call is

dispatched, the deputy's arrival time, the time the assignment is completed and the geographical location of the incident.

14. NOTICE. Notice as required to be given hereunder shall be given to the following persons:

A. SHERIFF OF PINELLAS COUNTY: Office of General Counsel, P.O. Drawer 2500, Largo, FL 33779-2500

B. CITY OF BELLEAIR BEACH: Attention: Mayor, 444 Causeway Blvd., Belleair Beach, FL 33786-3326.

15. TERM. The Agreement shall take effect on October 1, 2014, and continue through September 30, 2015.

16. TERMINATION. Either party may terminate this Agreement without cause or further liability to the other party, except as to the provisions of the Agreement regarding indemnification and providing the CITY with legal defense, as these sections survive the Agreement's termination, upon written notice to the other party given not less than 120 days prior to the requested termination date. The required notice is deemed "delivered" when a copy is physically delivered to the other party and a receipt therefore signed by the other party.

The parties agree that where the Agreement is not terminated as provided for herein, the terms of this Agreement shall automatically continue for 120 days beyond September 30, 2015, in the event a replacement contract has not yet been completely executed. The CITY shall continue to pay to the SHERIFF on a monthly basis the amount due as specified herein, until such time as a replacement contract has been approved. The parties further agree that an increase, if any, in the cost of service, shall

be retroactively applied for services rendered from October 1, 2015, to the approval and execution of the replacement contract, and shall be paid by the CITY to the SHERIFF immediately for the services already provided.

17. COST. The CITY shall pay to the SHERIFF, as payment in full for all of the SHERIFF's services as set forth herein, the sum of FOUR HUNDRED THIRTY-FOUR THOUSAND THREE HUNDRED FORTY-SEVEN DOLLARS AND THIRTY-EIGHT CENTS (\$434,347.38), as detailed in Attachment 1. Payment shall be made in twelve (12) monthly installments, of THIRTY-SIX THOUSAND ONE HUNDRED NINETY-FIVE DOLLARS AND SIXTY-TWO CENTS (\$36,195.62) for the first eleven months, and THIRTY-SIX THOUSAND ONE HUNDRED NINETY-FIVE DOLLARS AND FIFTY-SIX CENTS (\$36,195.56) the last month, with the first payment due October 1, 2014.

18. THIRD PARTIES. In no event shall any of the terms of this Agreement confer upon any third person, corporation or entity other than the parties hereto any right or cause of action or damages claimed against either party to this Agreement arising from the performance of the obligation and responsibilities of the parties herein or for any other reason.

19. ENTIRE AGREEMENT. This Agreement reflects the full and complete understanding of the parties and may be modified or amended only by a document in writing executed by both of the parties hereto and with the same formality of this Agreement.

20. JOINT AUTHORSHIP. The parties agree and acknowledge that this Agreement represents the collective work product of each party hereto and as such

interpretation of any provision shall not be construed or interpreted against one party and in favor of the other.

21. **NON-ASSIGNABILITY.** The SHERIFF shall not assign or delegate the obligations, responsibilities or benefits imposed hereby or contained herein to any third party or in any manner contract for the provision of the services required to be performed herein by a third party without the express written consent of the CITY, which consent must have been agreed to by the CITY at a public meeting and which consent may be withheld within the sole discretion of the CITY.

22. **LIAISON.** A close liaison shall be maintained between the CITY and the SHERIFF. The SHERIFF agrees to make available to the CITY a specific member or members of the command staff who shall be available twenty-four (24) hours per day to act as liaison between the CITY and the SHERIFF. The City Liaison, the City Manager and the SHERIFF, or their designees, shall meet and confer with each other on a regularly scheduled basis to discuss the administration of this Agreement. The SHERIFF, or his designee, shall, upon request of the City Council, be present at City Council meetings for discussion of the provision of law enforcement services within the CITY, for budget preparation purposes, or for any other purpose as the City Council shall request from time to time. The SHERIFF, or his designee, shall be responsible for submitting appropriate staffing or information to the City Council as is necessary for it to conduct its legislative business. Any request for the presence of the SHERIFF or his designee, or for the production of any information or staffing, shall be communicated solely through the City Manager to the SHERIFF or his designee.

23. OFFICE SPACE. The CITY, at no cost to the SHERIFF, will provide the SHERIFF office space in the CITY, the location and size of which is to be mutually agreed upon, for the purpose of allowing deputy sheriffs assigned to the CITY to meet with citizens and for other law enforcement purposes.

IN WITNESS WHEREOF, the parties to this Agreement have caused the same to be signed by their duly authorized representatives this 4th day of August, 2014.

**PINELLAS COUNTY SHERIFF'S OFFICE**  
**FY 15 Law Enforcement Services**  
**Cost Explanation**

**A. Cost per Deputy**

The average cost of "fielding" one (1) deputy for one (1) year is \$82,604.46. This amount is calculated by averaging the base salary, insurance benefits, pension, uniforms, and other related expenses like shift differential, education incentive pay and the like for all sworn deputies.

**B. Deputies by Post**

The number of deputy posts multiplied by the "relief factor" multiplied by the cost per deputy provides the total cost for deputy services. One deputy for 365 days a year, 8 hours per day is referred to as 1 post. However, deputies work 5 days per week and are absent for vacations, illness, holidays and other types of leave, so coverage of one post requires that 1.68 deputies be employed to staff one post. The 1.68 is referred to as the "relief factor."

**C. Vehicle Cost**

There is one vehicle per deputy post. The vehicle cost is calculated by the number of vehicles times the average number of miles driven per vehicle per shift times the cost per mile times the number of days per year. The cost per mile includes vehicle replacement cost, and the costs for fuel and oil.

**D. Supervision**

The cost of supervision is determined by multiplying the crime factor times the cost for one Patrol Sergeant. The average cost for one Patrol Sergeant is calculated by averaging the base salary, insurance benefits, pension, uniforms, and other related expenses for all Sergeants. The crime factor is determined by taking the number of reported offenses, incidents and field reports for Belleair Beach and Belleair Shore and determining what percentage these comprise of all offenses, incidents, and field reports generated in the area of the County for which the Sheriff provides law enforcement service.

**E. Equipment**

The cost for equipment is determined by taking the amount spent for equipment in Central District, the district in which Belleair Beach is located, and multiplying by the ratio of deputy posts assigned to Belleair Beach as compared to the total number of law enforcement and support staff in the Agency, which is 1,229.

**F. Allocated Indirect Costs**

"Allocated indirect costs" are those overhead charges for divisions or sections within the Sheriff's Office which provide support of the Patrol Operations Bureau such as Fiscal, Human Resources, Legal and the like. The AIC~CD is the indirect costs for Central District Patrol Operations. This is multiplied by the ratio of deputy posts assigned to Belleair Beach as compared to the total number of law enforcement and support staff, which is 1,229.

**G. Total Indirect Costs**

Total indirect costs is the sum of supervision, equipment, and the allocated indirect costs.

**H. Total**

The total shows the annual contract cost and the cost per month for the twelve month period of the contract.

CONTRACT FOR LAW ENFORCEMENT SERVICES

THIS AGREEMENT is made and entered into by and between the CITY OF DUNEDIN, FLORIDA, a municipal corporation of the State of Florida, hereinafter referred to as "CITY", and BOB GUALTIERI as SHERIFF, PINELLAS COUNTY, FLORIDA, hereinafter referred to as "SHERIFF".

WITNESSETH:

WHEREAS, the CITY is a municipality within the boundaries of Pinellas County, Florida, and wishes to purchase municipal law enforcement services for that area of land within its municipal boundaries in addition to those required to be provided by the SHERIFF prior to the execution of this Agreement; and

WHEREAS, the CITY has heretofore maintained a high level of police protection for the benefit of the citizens thereof; and

WHEREAS, the CITY is desirous of maintaining the high level of competent police service in conjunction and in harmony with its fiscal policies of sound, economic management; and

WHEREAS, the CITY has requested that the SHERIFF furnish police protection to its inhabitants and citizens; and

WHEREAS, the CITY desires that the SHERIFF furnish police protection on a full-time basis and duly perform any and all necessary and appropriate functions, actions and responsibilities of a police and law enforcement force for the CITY; and

WHEREAS, the SHERIFF has indicated his desire and willingness to accept and fulfill the responsibilities hereinbefore mentioned; and

WHEREAS, the CITY is desirous of maintaining its police power and at the same time wishes to provide for daily police services through a contractual police agreement with the SHERIFF; and

WHEREAS, it is further the desire of the CITY that the full, complete and entire responsibility for law enforcement within the CITY be turned over to and be performed by the SHERIFF,

NOW, THEREFORE, in consideration of the mutual promises contained herein and given by each party to the other, the parties do hereby covenant and agree as follows:

1. That the recitations set forth above are incorporated herein by reference in their entirety.

2. LEGAL AUTHORITY. This Agreement is entered into pursuant to the provisions of Section 163.01, F.S., the "Florida Interlocal Cooperation Act of 1969". The parties entering into this Agreement are fully cognizant of the constitutional limitations on the transfer of powers as set forth in Article VIII, Section 4 of the Constitution of the State of Florida and it is the express purpose of this Agreement only to enter into a contract for the provision of police services for certain designated law enforcement functions and shall not be deemed in any manner whatsoever to authorize the delegation of the constitutional or statutory duties of either of the parties pursuant to the provisions of Section 163.01(14), F.S. This Agreement at all times shall be construed consistent with such constitutional and statutory limitations. The duties and responsibilities set forth in this Agreement to be performed by the parties shall be performed in a manner that is constitutionally permissible and all portions of this Agreement shall be interpreted and administered by the parties accordingly.

3. PURPOSE: The purpose of this Agreement shall be to provide the citizens of the CITY with police services by the Sheriff's Office. It is expressly acknowledged and agreed that

all services provided by the SHERIFF under the terms of this Agreement are completely paid for by the consideration paid by the CITY under the terms of this Agreement and are completely separate and in addition to any and all ad valorem taxes or any other revenues paid by or received on behalf of the citizens of the CITY to Pinellas County. In light thereof, the SHERIFF shall continue to have the obligation to continue to provide normal services to the same degree that such services are provided to the rest of Pinellas County, and the CITY is not to be charged extra for these normal services.

4. **POWER OF CITY TO DIRECT SERVICES.** During the term of this Agreement, the CITY shall have the continuing right and authority to determine the nature, level and focus of police services to be delivered to the citizens of the CITY pursuant to the terms of this Agreement. The SHERIFF shall confer with the City Manager and the City Commission regarding law enforcement problems within the CITY and shall accept from the City Manager general direction on how its services are delivered and to what portion of the municipality a particular type or level of service shall be delivered to counteract law enforcement problems within the CITY. The SHERIFF shall comply with the request of the CITY regarding such matters unless such decisions will represent a danger to the deputies providing such service or to other employees of the SHERIFF or will be violative of the law or for any other substantive reason violative of good police practices or be detrimental to the citizens of the CITY. In the event that such concern arises, the SHERIFF will meet and confer with the City Manager and/or the City Commission, as is appropriate, on the delivery of such services and attempt to resolve any dispute or misunderstanding between them.

5. **AUTHORITY TO ACT.** The CITY does hereby vest in each sworn officer of the SHERIFF, who from time to time may be assigned to the CITY, to the extent allowed by law, the police powers of the CITY which are necessary to implement and carry forth the services, duties

and responsibilities imposed upon the SHERIFF hereby, for the limited purpose of giving official and lawful status and validity to the performance thereof by such sworn officers. Every sworn officer of the SHERIFF so empowered hereby and engaged in the performance of the services, duties and responsibilities described and contemplated herein shall be deemed to be a sworn officer of the CITY while performing such services, duties and responsibilities which constitute municipal functions and are within the scope of this Agreement. Accordingly, such sworn officers of the SHERIFF are hereby vested with the power to enforce the ordinances of the CITY, to make arrests incident to the enforcement thereof, and to do such other things and perform such other acts as are necessary with respect thereof.

6. INDEMNIFICATION. With regard to providing law enforcement services, the SHERIFF will defend and pay any litigation or judgment against the CITY, its agents or employees, arising out of this Agreement. Lawsuits and claims that may be filed from time to time hereunder shall be handled by the SHERIFF in accordance with normal procedures. The SHERIFF shall defend such lawsuits or claims and pay judgments or settlements in accordance with law.

Nothing contained herein shall be construed to limit or modify the provision of Florida Statute 768.28 as it applies to the CITY and the SHERIFF. Nothing herein shall abrogate or expand the sovereign immunity enjoyed by the SHERIFF and the CITY pursuant to the provisions of Chapter 768, Florida Statutes, nor shall any third party receive any benefit whatsoever from the indemnification provided herein.

7. INDEPENDENT CONTRACTOR. The SHERIFF, for the purposes of this Agreement, is and shall remain an independent contractor; provided, however, such independent contractor status shall not diminish the power and authority vested in the SHERIFF and his sworn officers.

8. SOVEREIGN IMMUNITY. The parties hereto agree that nothing contained herein shall in any way waive the sovereign immunity that they enjoy presently under the Constitution and statutes of the State of Florida and particularly with respect to Chapter 768, Florida Statutes. The parties agree that the CITY's determination to provide police services by contract is an exercise of the legislative planning function of the CITY and that at no time will the CITY exercise any specific operational control over the activities of any of the employees of the SHERIFF or shall it perform or undertake any acts that are over and above a planning level function with regard to the administration of this Agreement.

9. PROVISION OF SERVICES. The SHERIFF hereby agrees to provide all necessary and appropriate law enforcement services in and for the CITY by providing personnel as more particularly described in Attachment 1, attached hereto and incorporated herein by reference. This proposal includes three (3) deputy positions titled as community policing deputies to be utilized as a unit to work community-oriented police positions as directed by the station commander in cooperation with the City Manager. Additional deputies can be added at any time by mutual agreement. Secondary employment deputies will provide selective targeted traffic enforcement or other services as mutually agreed by the parties as indicated in Attachment 1.

10. PERSONNEL ASSIGNMENT. The CITY does hereby reserve the right and the SHERIFF does hereby acquiesce in the CITY's right to require the SHERIFF transfer such personnel who, in the determination of the City Manager, fail to perform in a manner consistent with the standards contemplated herein as same may be acceptable to the CITY, such determination to be made in the sole discretion of the City Manager. Accordingly, the SHERIFF agrees to replace any such transferred deputy forthwith and such replacement personnel shall be subject to the approval of the City Manager.

11. ENFORCEMENT OF LAWS. The SHERIFF shall discharge his responsibility under this Agreement by the enforcement of all State laws, County ordinances applicable within the CITY and the ordinances of the CITY. The SHERIFF shall bring appropriate charges for violations of all laws and ordinances.

12. FINES AND FORFEITURES. All fines and forfeitures rendered in any court as a result of charges made by the SHERIFF shall be distributed as provided by general law and the rules of the Court.

13. RECORDS. The SHERIFF shall maintain Uniform Crime Reporting records regarding crimes committed within the CITY. These records shall include the number and type of crimes committed, the number of arrests made for each type of crime, and any other information as required by law. A computer printout reflecting this information shall be furnished to the City Manager of the CITY each month. Additionally, the SHERIFF shall maintain a dispatch log with respect to calls for assistance. The dispatch log shall reflect the time a call is received, the time a call is dispatched, the deputy's arrival time, the time the assignment is completed and the geographical location of the incident.

14. LEASE OF CITY BUILDING. As a part of this Agreement, the CITY agrees to lease the building located at 737 Loudon Avenue, Dunedin, Florida, pursuant to the terms contained in the "Lease Agreement" as contained in Attachment 2. A portion of the building shall be used by the SHERIFF exclusively for the North District Sheriff's Office Facility from which deputy sheriffs operating in the area north of S.R. 60 shall be headquartered.

The SHERIFF shall provide at the above described North District Sheriff's Office Facility services to the public which include, but are not limited to, fingerprinting on a scheduled basis, obtaining police reports and other public records, the taking of incident and crime reports, and such other services as are reasonable and customarily performed by the SHERIFF.

With regard to indemnification, when allegations involve the lease of the city building, the provisions of Paragraph 6 do not apply. Instead, when the allegations involve the lease of the city building each party agrees to bear all court costs, defense costs, and liability for its own officers, agents and/or employees. Each party agrees, to the extent permitted by law, to indemnify and hold the other harmless of and from any claims, lawsuits and/or causes of action arising out of the acts, omissions and conduct of its own officers, agents and/or employees regarding the lease. However, nothing contained herein shall be construed to waive or modify the provisions of F.S. 768.28 or the doctrine of sovereign immunity as it applies to any party hereto. Other terms regarding the lease of the building are attached as Attachment 2. To the extent those terms conflict with the terms contained in the remaining paragraphs of this agreement, the terms contained in Attachment 2 prevail.

15. **DEPUTY EQUIPMENT.** The SHERIFF shall provide each deputy who provides services under this Agreement with a patrol automobile and all other necessary and appropriate equipment. Deputies providing services under this Agreement shall operate out of the Sheriff's Administration Building or the North District Station. The cost of operating and maintaining these facilities and the cost of purchasing, maintaining and repairing equipment used under this Agreement shall be borne by the SHERIFF.

16. **LAW ENFORCEMENT PERSONNEL, SWORN AND UNSWORN.** The SHERIFF shall be responsible for the appointment, training, assignment, discipline and dismissal of all his law enforcement personnel, whether sworn or unsworn, performing services under this Agreement.

17. **NOTICE.** Notice as required to be given hereunder shall be given to the following persons:

- A. The Sheriff of Pinellas County: Bob Gualtieri, Sheriff, P. O. Drawer 2500, Largo, FL 33779-2500.

B. City of Dunedin: City Manager, 750 Milwaukee, P. O. Box 1348,  
Dunedin, FL 34697-1348.

18. TERM. This Agreement shall take effect on the 1<sup>st</sup> day of October, 2014, and shall continue in effect thereafter for a term of five (5) years, except that the SHERIFF may increase the total cost of the services by a figure that does not exceed the general increase applicable to the other contract cities, nor shall any increase reflect more than the actual increase in costs of the service provided. The CITY shall have the option to renew this Agreement for five (5) additional years, in multi-year or single year increments, which option shall be deemed to have been exercised unless the CITY should notify the SHERIFF in writing placed in the United States Mail not later than sixty (60) days prior to the commencement of the next option period of non-renewal.

In the event that the CITY elects to exercise such option, the extension of this Agreement shall be upon the same terms and conditions as is set forth herein, together with any amendments thereto agreed to between the parties during the term hereof. Prior to October 1<sup>st</sup> of each year, the parties shall execute an addendum to this Agreement that reflects the increased cost of services for provision of the services rendered by the SHERIFF as an amendment to paragraph 20 of this Agreement.

The increased costs shall be subject to the limitations set forth in this paragraph and shall reflect only the actual cost of service increases.

19. TERMINATION. Either party to this Agreement may terminate this Agreement without cause or further liability, except as to the indemnification provided herein, upon written notice to the other party, said written notice to be given not less than 540 days prior to the requested termination date, said notice to be deemed delivered when a copy is delivered to the other party and a receipt signed by the other party.

In the event a replacement contract or pending addendum has been proposed but not yet been completely executed, the terms of this Agreement shall automatically continue for 120 days beyond the expiration date of the current Agreement or addendum. The CITY shall continue to pay to the SHERIFF on a monthly basis the current amount due, until such time as a replacement contract or addendum has been approved. The parties further agree that an increase, if any, in the cost of service, shall be retroactively applied for services rendered from the Agreement or addendum expiration date to the approval and execution of the replacement contract or addendum, and shall be paid by the CITY to the SHERIFF immediately for the services already provided.

20. COMPENSATION. The CITY shall pay to the SHERIFF as payment in full for the SHERIFF'S services as set forth herein for assigned law enforcement, the sum of THREE MILLION SIX HUNDRED FORTY-THREE THOUSAND FOUR HUNDRED SIXTY-EIGHT DOLLARS AND EIGHTY-SIX CENTS (\$3,643,468.86). This proposal includes 33.5 sworn officer positions and 34 support staff (including 33 school crossing guards), for a total of 67.5 positions.

The parties agree the above-referenced sum shall be paid in monthly installments beginning October 1, 2014. Said monthly installments shall include the monthly amount for secondary employment services for traffic enforcement detailed below in Paragraph 21, less the amount for the lease of the building, (\$192,835.56), as specified in Attachment 2. Payment for the first eleven months of the contract year shall be in the amount of THREE HUNDRED TEN THOUSAND NINE HUNDRED FIFTY-TWO DOLLARS AND SEVENTY-EIGHT CENTS (\$310,952.78). Payment for the twelfth month shall be in the amount of THREE HUNDRED TEN THOUSAND NINE HUNDRED FIFTY-TWO DOLLARS AND SEVENTY-TWO (\$310,952.72)

21. SPECIAL EMPLOYMENT SERVICES. The CITY shall pay to the SHERIFF as payment for secondary employment services herein agreed to be performed by the SHERIFF the sum of THREE HUNDRED ELEVEN THOUSAND FOUR HUNDRED DOLLARS AND NO CENTS (\$311,400.00) for 6,920 hours. The parties agree that 680 hours of the secondary employment services shall be used for special events as requested by the CITY; the cost for these services (\$30,600) is payable in full on the 1<sup>st</sup> day of October 2014. The parties further agree that 6,240 hours of the secondary employment services shall be used for traffic enforcement and other duties as determined mutually by the parties (120 hours per week); the cost for these services (\$280,800.00) is payable in twelve (12) monthly payments of \$23,400.00, with said payments beginning October 1, 2014. As indicated above, these monthly payments have been added to and incorporated within the monthly amounts reflected in Paragraph 20, as offset by the building lease amount.

22. TOTAL COMPENSATION. Total compensation for FY 2015 for the law enforcement services as detailed above in Paragraph 20 and the special employment services as detailed above in Paragraph 21 is THREE MILLION NINE HUNDRED FIFTY-FOUR THOUSAND EIGHT HUNDRED SIXTY-EIGHT DOLLARS AND EIGHTY-SIX CENTS (\$3,954,868.86). This amount is payable to the SHERIFF as specified above.

23. THIRD PARTIES. In no event shall any of the terms of this Agreement confer upon any third person, corporation, or entity other than the parties hereto any right or cause of action for damages claimed against either of the parties to this Agreement arising from the performance of the obligation and responsibilities of the parties herein or for any other reason.

24. ENTIRE AGREEMENT. This Agreement reflects the full and complete understanding of the parties to it and may be modified or amended only by a document in writing executed by the parties hereto and executed with the same formality of this Agreement.

25. NON-ASSIGNABILITY. The SHERIFF shall not assign or delegate the obligations, responsibilities or benefits imposed hereby or contained herein to any third party or in any manner contract for the provision of the services required to be performed herein by a third party without the express written consent of the CITY, which consent must be agreed to by the CITY at a public meeting and which consent may be withheld within the sole discretion of the CITY.

The SHERIFF agrees to make available to the City Manager a specified member or members of his command staff who shall be available twenty-four (24) hours per day to act as liaison between the CITY and the SHERIFF. The City Manager and the SHERIFF, or their designees, shall meet and confer with each other on a regularly scheduled basis to discuss the administration of this Agreement. The SHERIFF, or his designee, shall, upon request of the City Commission, be present at City Commission meetings for discussion of the provision of police services within the CITY, for budget preparation purposes, or for any other purpose as the City Commission shall request from time to time. The SHERIFF, or his designee, shall be responsible for submitting appropriate staffing or information to the City Commission as is necessary for it to conduct its legislative business.
